SECTION II

Selection Process

1. INITIAL ENTRY ROTARY WING (IERW) POSITIONS:

a. Although states and territories differ on unique application procedures, at a minimum an applicant for IERW training is interviewed by the State Aviation Officer, the Army Aviation Support Facility (AASF) Commander and/or the Aviation Unit Commander. This interview process is often referred to as the flight school board. Also, the applicant must:

(1) Be a current ARNG member in good standing. Warrant Officer Flight Training (WOFT) enlistment option is not authorized in the ARNG.

(2) Be at least older than 18 and less than 27-1/2 years old at the time of application for flight training. Applicants between 27-1/2 and 30 years of age may submit an age waiver request to NGB-AVS-O.

(3) Have a minimum score of 90 on the FAST, IAW AR 611-5. See AASF Commander or Staff for coordination of test administration.

(4) Successfully pass a Class 1A flight physical and meet the medical standards in AR 40-501.

b. Upon meeting all mental and physical requirements and successfully completing all required interviews, the applicant is then placed on a standing flight school order of merit list (OML). Regardless of the individual's standing on the OML, he or she should be prepared to attend training with short notice. This will allow the person to jump ahead of peers and earn their wings much sooner. After OML placement, a mentor should be appointed to prepare the candidate for both WOCS and IERW.

2. TECHNICAL WARRANT OFFICER POSITIONS:

a. To become a Warrant Officer, a soldier must be able to fill an existing or projected unit MOS vacancy. This step is the same for an enlisted soldier, former warrant officer, or commissioned officer. This MOS must be one for which the enlisted soldier has an awarded PMOS or SMOS listed as a feeder MOS (see www.1800goguard.com). If there are no vacancies in the current unit of assignment, qualified soldiers are encouraged to apply for appointment in another unit where vacancies exist or are projected to occur. Former Warrant Officers should apply for a MOS they previously were qualified for. Commissioned officers may apply for the MOS they have the best qualifications for, using both commissioned and former enlisted service.

b. Unit Commanders must conduct interviews with the applicants, and if necessary conduct a unit review board to determine the best qualified applicants. Individual selected must have demonstrated the ability to understand, convey, and execute orders while serving as a trainer, teacher, counselor, and team leader. The ability to continue to think and make good decisions under pressure is of particular importance. For the

Selection Process

sake of the service and the individual, selection should not be just a reward for service in the unit, it should be a careful, well thought out decision.

c. After the commander makes his/her selection, an officer or Warrant Officer mentor should be assigned to assist the candidate in preparing the "Predetermination Packet" covered in the next section.

Summary

Write a paragraph or two explaining why you are fully qualified to perform the duties of a Warrant Officer in your skill. This is a very important part of the resume. Make this a call to action, but do so without turning off the reader. Include in **bold** type all of your **significant accomplishments/achievements (below-the-zone promotions, impact awards, noteworthy distinctions, deployments, challenging assignments, unique skills in MOS, standards exceeded on a significant inspection/evaluation, etc)** mentioned earlier and explain how you are exceptionally qualified and have the leadership, management and technical skills needed to become a WO. Answer this question: **What have you done or accomplished that sets you apart from your peers?**

SIGNATURE & DATE (Required)

Other notes:

Use plain white paper, black ink and a 12 point standard font such as Arial or Times New Roman.

Don't go through a big expense. Prepare the resume yourself, but do a quality job.

If you are non-Army, the resume takes on increased importance in conveying your qualifications to become an Army Warrant Officer.

Don't overuse bolding effect, it could be a distraction. Can list correspondence courses but not subcourses.

SECTION III

MOS Predetermination

1. REQUEST: The first step in the qualification process is the requirement to request approval from the DA MOS proponent for entry into the career field. The process called predetermination is used to qualify all members, whether enlisted, warrant, or commissioned, to serve in a specific Warrant Officer MOS. DA MOS Proponency requirements are listed under WO programs at www.1800goguard.com. This request must be prepared and forwarded through command channels to your state headquarters, using the checklist located on page C-2 of this guide. Contact the Officer Personnel Manager for state specific guidelines.

2. REVIEWS: Once received by The Adjutant General (TAG), it is reviewed and forwarded through the National Guard Bureau (NGB) to the installation where the DA MOS manager is located. If disapproved, it will be returned through command channels to the requester for additional documentation. If approved it will be forwarded from the DA MOS proponent through command channels to the state headquarters. This process takes between 60 and 120 days, depending on the DA MOS proponent.

3. DISPOSITION: Approved predetermination packages will be transmitted through command channels to the requesting unit for preparation of the Warrant Officer candidate appointment application package.

SECTION IV

Warrant Officer Candidate Appointment Screening and WOCS Attendance

1. WARRANT OFFICER CANDIDATE APPOINTMENT APPLICATION: Upon notification of favorable predetermination, the applicant must complete an appointment application for consideration by the Federal Recognition Board held at the state headquarters. The Senior Regular Army Advisor conducts the board with selected commissioned officers. The board determines applicant eligibility for attendance at the Warrant Officer Candidate School (WOCS) and Warrant Officer appointment. The Warrant Officer candidate appointment application should include the following items:

- a. The approved predetermination package.
- b. NGB Form 62E, Application for Federal Recognition as an Army National Guard Officer or Warrant Officer and Appointment. The 1st endorser should be the commander of unit originally completing the recommendation in Appendix F, with the 2nd endorser the next higher commander.
- c. Birth certificate.
- d. Statement in lieu of security clearance. The applicant must have a secret security clearance or interim secret clearance. A final or interim secret clearance is required for appointment, unless the MOS proponent specifies a higher clearance for MOSQ.
- e. Copy of a complete physical IAW Chapter 2, AR 40-501, conducted within two years of appointment as a Warrant Officer. Flight physicals require Fort Rucker, Alabama Flight Surgeon approval.
- f. Copy of High School Diploma or equivalent, or college transcript.
- g. Approved predetermination package from MOS proponent.
- h. DD Form 214, DD Form 220, or similar documents for prior service.
- i. Copies of Social Security Card.
- j. Statement of understanding if unable to complete 20 years of qualifying service for retirement.
- k. DA Form 705, APFT, within the last 12 months.
- l. Written statement from technicians on compatibility, TPR 300, if applicable.
- m. Aeronautical aviation orders, if applicable.

Resume is very important, it shows your ability to communicate in written form. Write at the 12th grade level and use a thesaurus to help with vocabulary. Do both spell and grammar checks because errors will doom an application.

APPENDIX C

Checklists

CONVICTION/MORAL WAIVER CHECKLIST

1. _____ Signed statement of circumstances from applicant
2. _____ Recommendation from chain of command with MILPO's endorsement
3. _____ NGB Form 62-E w/1st endorsement signed
4. _____ Official court documents w/disposition citing the offense and judgement rendered for each conviction

Warrant Officer Candidate Appointment Screening and WOCS Attendance

- n. Statement of military service obligation IAW AR 135-91, if applicable.
- o. Conditional release from another component or state transfer order.

2. FEDERAL RECOGNITION BOARD REVIEW: The application packet must be endorsed by the unit commander and forwarded through channels to the Officer Personnel Manager (OPM) at the state headquarters. Once the package has been reviewed, it will be forwarded to the Federal Recognition Board for appropriate action.

3. FEDERAL RECOGNITION BOARD RECOMMENDATION: The board determines if the individual possesses the necessary attributes for appointment as a Warrant Officer. If the board finds the applicant qualified, an order appointing him/her as a Warrant Officer Candidate (WOC) is issued and a primary MOS of 09W00 is awarded. If the board does not find the applicant qualified, the application will be returned with any additional requirements noted. Packages may then be resubmitted for consideration once requirements have been met.

4. WOCS APPLICATION: After appointment as a WOC, the unit/command will request a class quota in the Warrant Officer Candidate School (WOCS) at Ft. Rucker, Alabama, via ATRRS. Each command should then ensure that a mentor, preferably a recent WOCS graduate, helps prepare the candidate. A Pre-WOCS course is offered in Alabama and Pennsylvania and may be attended at home state expense.

5. WOCS ATTENDANCE: Currently, there are three options for the completion of WOCS.

- a. Attend the six week Active Component WOCS.
- b. Attend the four week WOCS-Reserve Component; Phases I and II with up to a one year break between phases.
- c. Attend the four week WOCS-Reserve Component; Phases I and II are completed back to back.

6. FORMER WARRANT OFFICERS AND COMMISSIONED OFFICERS: Applicants in this category must complete a packet using the Predetermination Checklist for the Warrant Officer Program, which may be found on page C-2 of this guide. Former Warrant Officers and commissioned officers, once their approved predetermination is received, must prepare an application for appointment IAW NGR 600-101 and send it through command channels to the Officer Personnel Manager (OPM).

SECTION V

Warrant Officer Basic Course

The final event of becoming a fully qualified Warrant Officer is completion of WOBC or IERW for aviators. WOBC must be successfully completed within two years of appointment as a Warrant Officer. This may be extended by the National Guard Bureau on a case by case basis for one additional year when extenuating circumstances exist beyond an individual's control.

a. The Warrant Officer Basic Course trains and certifies newly appointed warrant officers to be technically qualified to perform in the assigned MOS. There are three methods for completion of WOBC:

- (1) Active Component (AC) courses. The AC courses vary from 5 to 40 weeks.
- (2) Reserve Component (RC) Courses. The RC courses are normally shorter than AC versions to accommodate reserve components. Most RC courses are shorter resident phases, which also include non-resident phases.
- (3) Some proponent schools allow "testing out" as an alternate means of certifying technical proficiency. Testing out means that the proponent prepares a test covering the required tasks for certification and applicants must pass the entire test to be certified as technically proficient. Testing out is limited to those applicants with an extensive background or education in the MOS.

b. Attendance at the AC or RC version of WOBC is based on the proponent's determination or other regulatory guidance. If a MOS proponent specifies that the applicant must attend the AC course then the individual must do so in order to be MOS certified.

PREDETERMINATION PACKET FOR WARRANT OFFICER CANDIDATE PROGRAM

1. _____ The Adjutant General's recommendation (to include any required mandatory prerequisite waivers)
2. _____ Commander's (unit/bn/bde) recommendation - must include the following certification:

10. _____ Recommendation from CW3-CW5 who holds the MOS
11. _____ DA Form 5500/5501 (Body Fat Worksheet - if applicable)
